

“We find our purpose not in avoiding the fire,
but in choosing to walk through it—and then
using what we learned to light the way for others.”

—John O’Leary

ABOUT SOUL ON FIRE

From Director Sean McNamara (*Reagan*, *Soul Surfer*), **SOUL ON FIRE** is inspired by the true story and 2016 bestselling book *On Fire* by John O'Leary. O'Leary's story begins when he was 9 years old, defying odds with a miraculous survival after a near-death accident. John endures an unbelievable road to recovery with the support of his family, faith, community, and the kindness of his all-time idol, Baseball Hall of Fame Announcer Jack Buck. Grateful for his miracle and shaped by the people who have helped him through life's struggles, John's mission to better the world encourages millions to do the extraordinary and live inspired.

“It's a story of unsung heroes... It's a story of overcoming adversity, of love, and family.”

—John O'Leary

“You can't choose the path you walk in life but you can choose the way in which you walk it.”

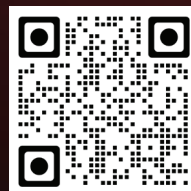

—John Corbett as Denny O'Leary, **SOUL ON FIRE**
