“We find our purpose not in avoiding the fire, but in choosing to walk through it—and then using what we learned to light the way for others.”

- John O’Leary

What do you feel is your purpose in this season?

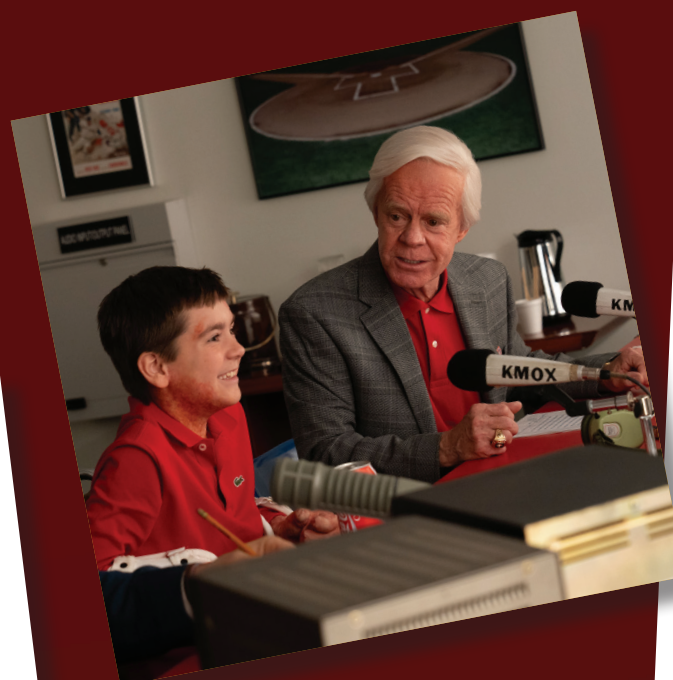

“You can’t always choose the path you walk in life, but you can always choose the manner in which you walk it.”

- John O’Leary

“A radically inspired life means you embrace the lessons from your past, actively engage in the miracle of each moment, and ignite the limitless possibility of tomorrow.”

- John O’Leary

How do I typically respond when life takes an unexpected turn—and how might I shift my mindset about the circumstances?

What lesson from my past has shaped me most—and how am I letting it inform my goals for tomorrow?

“Your life is a precious, priceless gift. Say yes to being used for good.”

- John O’Leary

What’s one positive thing you can do to affect the world around you this week?

“Fear and love are the two great motivators. One leads to isolation, the other to connection. One drives us to hoard, the other to give. One pulls us back, the other propels us forward. We get to choose.”

— John O’Leary
